Lieutenant General James A. Williams, USA  
Director, Defense Intelligence Agency  
Washington, D. C. 20301

Dear Jim:

I should like to express my appreciation to you and to all your people who were involved in the preparation of the Congressional Justification Books for the Consolidated FY 1986 NFIP Budget. As you know, budget decisions were unusually late this year, and your program also had to contend with Congressionally directed changes to the format of the resource exhibits. I should particularly like to thank [redacted]

[redacted] for their outstanding performance and cooperation that enabled us to develop a well-structured GDIP Justification Book and to meet the Congressional submission date.

Sincerely,

[redacted]
